

How to Delete Your Account

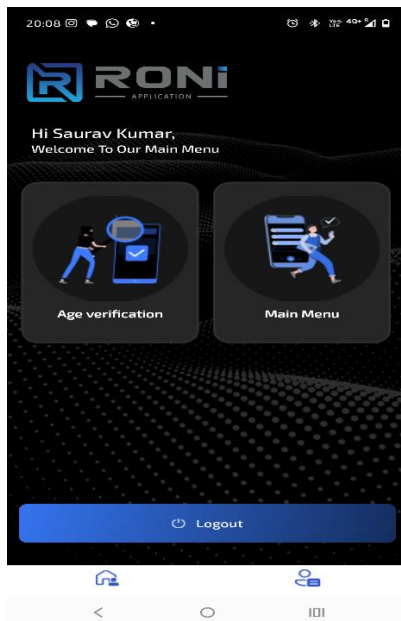

Step 1: Open the App

Launch the mobile app on your device and log in.

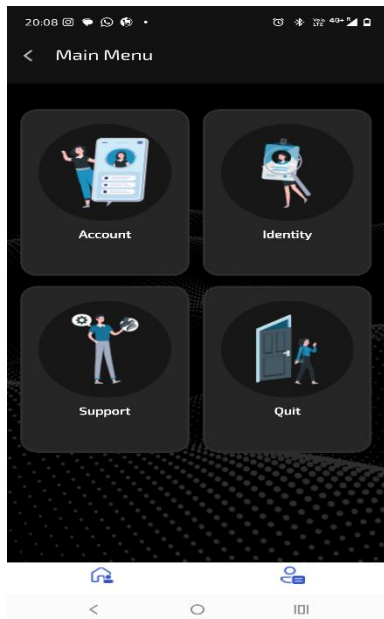

Step 2: Go to Main Menu

Tap on the Main Menu Button.

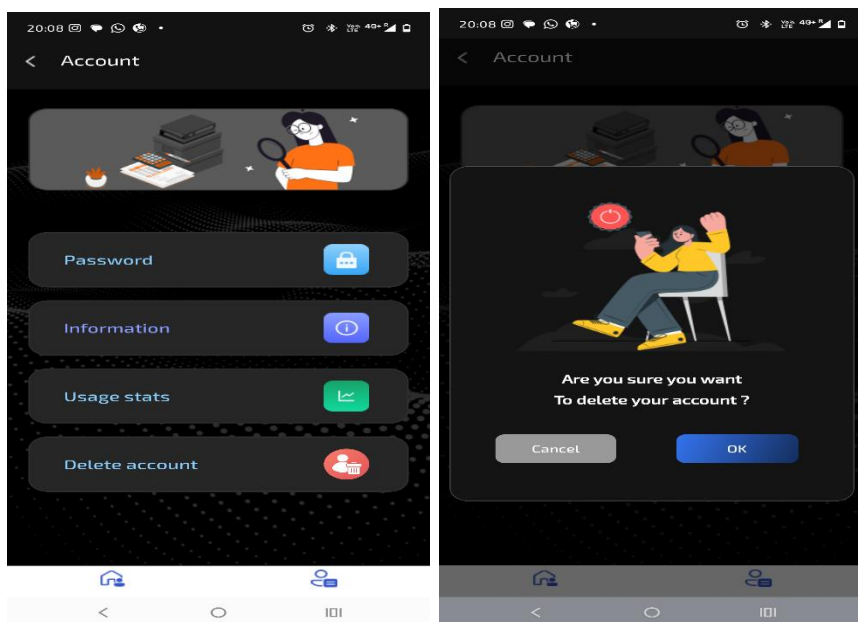

Step 3: Select Account Settings

Tap on **Select Account** to manage your account.

Step 4: Delete Account

Tap on **Delete Account**. Follow the on-screen instructions to permanently delete your account.

Important Note:

Deleting your account is permanent and cannot be undone. Make sure to back up any important information before proceeding.
